

Can you apply the laws of science to the science of laws?

An exciting California Fellowship opportunity!

The California Council on Science and Technology seeks PhD scientists and engineers to serve as Fellows to provide the California State Legislature with critical, unbiased scientific and technical advice. If you are looking for a professional development opportunity that enables you to incorporate science and technology into public policy, we encourage you to apply for a one-year fellowship.

Applications for the 2010-2011 program will be accepted from December 1, 2009 until February 12, 2010. For information or to complete an on-line application, visit fellows.ccst.us.
